

Journey 2 Africa [Itinerary](#)

Between now and June 30th, please purchase your airline tickets to Ghana and South Africa (see flight schedule below). You will need your ticket to apply for a visa. Next, schedule an appointment for your vaccinations. Travisa is a great service that takes the pain out of applying for your visa. Purchasing international health insurance *IS* required. You can purchase through Travis or find a provider on the US Department of State website.

Visit the US State Depart at: <https://travel.state.gov/content/travel.html> to review the international travel checklist and to monitor notifications about travel to Ghana and South Africa.

Please go to: <https://www.travisa.com/> for travel information and to use their concierge service. The fee is well worth the convenience and security experts that know exactly what you need and help you if everything you need before and during your trip.

Trip Cost: \$3,500 per person includes all hotels, ground transportation, breakfast, museum fees and tour guides' fees (does not include airfare). You are responsible for booking your airline tickets. Please send your confirmation to me by June 30th. Your payment of \$3,500 per person trip cost is due by August 1st. Mail a check to OMG Media Solutions or let me know if you need wire transfer information. I will send one payment to DTK Tours for all of our 9 travelers.
