

August 13, 2023

Dear Brothers and Sisters,

Between now and August 31st, please purchase your airline tickets to Ghana and South Africa (see flight schedule below). You will need your ticket and vaccination cards to apply for a Ghana VISA.

Purchasing international health insurance *IS* required. I purchased insurance for \$341.00 at: <https://www.imglobal.com>. You can comparatively shop companies online.

Visit the US State Depart at: <https://travel.state.gov/content/travel.html> to review the international travel checklist and to monitor notifications about travel to Ghana and South Africa.

Please go to: <https://www.travisa.com/> for travel information and to use their concierge service. The fee is well worth the convenience and security experts that know exactly what you need and help you if everything you need before and during your trip.

Trip Cost: \$3,500 per person includes all hotels, ground transportation, breakfast, museum fees and tour guides' fees (does not include airfare). You are responsible for booking your airline tickets.
