Welcome

Cultural Sustainability Promise

Our work is centered around building cultural sustainability and community, where music and art are essential to human survival and development. We are driven by love for humanity and a desire to empower, nurture, and improve the health and wellness of youth and families in under-invested communities.

About OMG Studios

I can't believe we are already celebrating 6 months! This past February, we opened OMG Studios in St. Paul's Creative Enterprise Zone - a thriving district of creativity and innovation (just off I-94/Vandalia). OMG Studios, the only Black-woman-ownesspace of its kind in Minnesota, headquarters its own innovations.

OMG Studios also features 3,200 square feet of multi-use rental space including:

- Podcast Studio
- Live Performance Lounge ("Flyte Tyme Sound Lounge")
- Recording Studio
- Green Room
- Community/Innovation Space

Outfitted with state-of-the-art technology, fiber-optics network, sound, and light our boutique space pays homage to Minnesota's very own, the late Prince Rog Nelson, who I had the distinct honor of working with and my greatest sourcinspiration both creatively and spiritually to this day.
