Description	OMG Studios Innovation Lab is an interactive and evolving music, art and literature immersion project that will function as a cultural content creator hub. Participants will create a wide array of multimedia, inspired by the Twin Cities' rich music and art culture. Its mission is to provide a creative outlet for youth for music, art and literary expression, development, and education.	Rock, Country and Jazz Band Camps are offered The summer band camp program schedule will focus on music development in Roots, Rock and Reggae. Do you see yourself as the next Bob Marley, Prince, Tina Turner, Jimi Hendrix, Tracy Chapman or a phenomenon that has yet to be discovered!!! Bring ya A game as we are serious about MUSIC!	HTML5 coding is the language of the internet. Learn Hypertext Markup Language as an essential to understanding the universal language of the Internet. The camp includes the foundation of ideation, process management and technology development. Students will compete against each other in developing new technology.
