WHO WE ARE

OMG Media Solutions provides media, entertainment, and technology consulting services to clients nationwide. Our team of media and technology engineers leverages advanced tools and industry expertise to deliver high-quality, results-driven solutions. Clients consistently renew their contracts year after year—demonstrating the measurable value we bring in driving revenue growth, operational efficiency, and overall organizational effectiveness.

OMG Studios is located in St. Paul's Creative Enterprise Zone – a thriving district of creativity and innovation (just off I-94/Vandalia). OMG Studios, the only Black-woman-owned space of its kind in Minnesota, headquarters its own innovations.

WHAT WE DO

Podcast Production

Our state-of-the-art podcast studios provide clients with professional audio and video livestreaming capabilities, delivering broadcast-quality production for interviews, talk shows, and branded content. Each session is supported by experienced engineers and the latest equipment to ensure premium sound and visuals.
